Course Description

Greek C is a thirteen-week, two-credit-hour course that introduces students to the fundamentals of New Testament Greek vocabulary, grammar, and syntax. Greek C is the third of a three-part series of courses that has Greek A (NT 504A) and Greek B (NT 504B) as prerequisites. Together, these three courses lay the foundation for ongoing translational and exegetical work using the Greek New Testament. In preparation for each exam, students will progress through a series of textbook readings and workbook exercises that lay the foundation of course content.

Course Objectives

Upon completion of Greek C, students will be equipped to continue their study of Greek Exegesis, having obtained an essential understanding of the elements of Greek grammar and syntax covered in chapters 26 through 36 of the course textbook, specifically:

- the addition of 66 additional Greek vocabulary words, bringing the total vocabulary to 335;
- Greek adverbial and adjectival participles;
- the Greek infinitive;
- the subjunctive mood;
- the imperative mood
- an overview of the optative mood;
- μι verbs;
- conditional sentences;
- additional skill-building exercises in translating, with provided helps, narrative passages from the Greek New Testament.

COURSE REQUIREMENTS

Examinations (40%)

Midterm and final examinations constitute forty percent of the final grade. The exams cover vocabulary, word parsing, grammatical content, translation, and exegesis. While the translation and exegesis portions of the exams are cumulative, each exam focuses on the material presented in the four basic units. All exams for this course are to be taken online, in the presence of the student's mentor, using the Canvas Learning Management System (LMS).

Review Quizzes (35%)

Repeatable review quizzes covering the chapters of the Mounce text and the Instructor's Notes will serve to prepare the student for the exams. There are also three translation diagnostic exercises that do not count toward the final grade.

Translation Assignments (20%)

Weekly assignments from the Workbook will strengthen your ability to translate New Testament sentences. Assignments will be uploaded to the LMS. Beyond these required assignments, students are encouraged to work through as many of the translation exercises in the Mounce Workbook as they are able.

Interaction (5%)

Students are expected to complete the mentor, conferencing, and discussion forum requirements.
