PT 503B: LEADERSHIP B: Evangelism, Discipleship and Spiritual Formation

Course Description

Students will learn the principles and practice of discipleship and life-on-life discipling with the intent of cultivating within the church an intentional discipling mindset and movement. They will be exposed to various models of evangelism, discipleship and spiritual formation.

Class Design

This class will be a combination of reading, interactive discussion, brainstorming, and other interaction. There will be opportunity to explore the following issues as it pertains to the student's personal life and ministry:

1. Explore what the Bible say about being a disciple of Jesus
2. Study principles for making disciples
3. Understand elements critical for helping others to grow in Christ
4. How to disciple other believers through an intentional gospel conversation
5. Develop and Implement a plan for discipling other Christians
6. Look at various models for sharing the gospel with non-Christians
